Chevron Phillips Chemical Company LP ("CPChem") is pleased to provide US EPA ("Customer") with the following price quotation ("Quote") for Octane test fuel ("Product"). Product price is valid for deliveries made thru December 31, 2007 if the quote is accepted by November 30, 2007. Please note the following additional information relating to this quote.

- **Product:** Octane Test fuel in drums made to customer specifications
- **Price:** **Ex. 4 - CBI**
Price based on shipping drums of various specifications with approximately 24 recipe variations spread over approximately 400-450 drums of product
- **Taxes:** The above prices do not include taxes and other regulatory fees. These charges will amount to approximately **Ex. 4 - CBI** The final invoice will itemize these charges.
- **Delivery:** **Ex. 4 - CBI**
Ex. 4 - CBI
- **Lead time:** Following receipt of order please allow **Ex. 4 - CBI** for scheduling normal shipments and deliveries.
- **Demurrage:** **Ex. 4 - CBI**
- **Title/Risk of Loss:** CPChem shipping point.
- **Payment Terms:** Net **Ex. 4 - CBI**
- **Terms and Conditions:** Product sales shall be governed by CPChem's Terms and Conditions, a copy of which is attached and incorporated.
- **Quote Acceptance:** Customer's written acceptance of this Quote via e-mail or fax to CPChem or, alternatively, Customer's order of Product on or before September 30, 2007, shall constitute unequivocal acceptance of the provisions of this Quote. Product must be shipped prior to December 31, 2007 for quoted price to be applicable.

The provisions of this Quote shall take precedence over any purchase order, other writing, communication or transmittal issued from Customer to CPChem pertaining to the subject matter of this Quote and shall govern any sale of Product to Customer during the Quote Period.

Nothing contained within this Quote shall obligate CPChem or Customer to enter into any commercial transaction for the purchase or sale of Product, any such transaction being expressly subject to CPChem's acceptance of Customer's order, in CPChem's sole discretion, or negotiation of a definitive signed agreement between the parties.

Sincerely,

David Berman
